Dear Nettie
You will be glad to know that
we are both well and that I am getting
able to do my work without becoming
so tired. The weather is still cold
and getting out early in the morning
for physical exercise gives me aches.
I hope Anna, Bob, Walter, and Lottie
are all well and that Charlie is a good
boy. Of course, you are always good!!!
We had 200 more men to bring the 99th
up to full strength. Lots of love to you
and all the others at home!
Yours affectionately, G. W. Sears.
